

JESSGO BODY PAINTING

Using all the top skin-sensitive paints, Jessica creates bold works of art with the human body as her canvas. This unforgettable experience can range from a super personal private photoshoot, to a vibrant corporate event with multiple painted models. Every session is completely customized, based on your personal tastes, or to align with the company's brand.

Please see price listing below.

Please note that in order to secure your piece, Jessica requires 50% of the total as a deposit to begin your project.

Please make cheques out to The Jessgo Inc. Jessica also accepts personal cheques, money order, and Visa, MasterCard, and Amex credit cards.
